ABOUT US

We are a trusted name in the UPVC and Aluminium Doors & Window industry, backed by over a decade of experience in delivering high-quality, durable, and aesthetically superior solutions.

With a strong focus on innovation, precision engineering, and customer satisfaction, we specialize in manufacturing and installation of advanced window and door systems that perfectly balance design, performance, and functionality.

Our products are designed to withstand extreme weather conditions while enhancing the overall look and energy efficiency of modern homes and commercial spaces.

Driven by a passion for excellence, we continuously adopt the latest technology, premium materials, and skilled craftsmanship to ensure every project meets the highest standards.

At our core, we don't just build windows and doors — we create long-lasting impressions & relations.

OUR PRODUCTS

UPVC SLIDING WINDOWS

Sleek and space-saving windows with smooth, noiseless sliding. They allow ample natural light and clear views while protecting against dust, noise, and heat. Durable, weather-resistant, and low maintenance.

UPVC SLIDING DOORS

Modern sliding doors with wide openings and smooth operation. They enhance natural light and outdoor views while offering strong insulation and long-lasting, low-maintenance performance.

UPVC CASEMENT WINDOWS

Side-hinged windows that open fully for maximum ventilation. They provide airtight sealing for better insulation from dust, noise, and heat, along with enhanced security and durability.

UPVC CASEMENT DOORS

Strong and sturdy doors designed for smooth operation and long-term use. They offer excellent weather resistance and insulation, making them ideal for balconies and exterior access.

OUR PRODUCTS

ALUMINIUM SLIDING WINDOWS

Sleek and modern windows with slim frames and smooth sliding operation. They offer durability, clear views, and excellent resistance to rust and weather.

ALUMINIUM SLIDING DOORS

Stylish sliding doors designed for wide openings and seamless movement. They enhance natural light and space while providing strong, long-lasting performance with minimal maintenance.

ALUMINIUM CASEMENT WINDOWS

Strong and durable windows with a side-hinged design for full opening. They offer excellent ventilation, weather resistance, and a clean modern look.

ALUMINIUM CASEMENT DOORS

Sturdy and reliable doors designed for smooth operation and long-term performance. They provide good insulation, weather protection, and a sleek, modern finish.

OUR PRODUCTS

ALUMINIUM FOLDING DOORS

Elegant folding doors designed to open up entire spaces with a smooth folding mechanism. They create wide, seamless openings while allowing maximum light and airflow. Strong, durable, and weather-resistant, they are perfect for modern homes and large openings.

CUSTOMIZED DOORS AND WINDOWS

Tailor-made solutions designed to fit your exact requirements. From sizes to finishes and glass options, everything is customized to match your space and style.

SECURITY & HARDWARE

- Multi-point locking systems for enhanced safety.
- Premium quality handles and fittings.
- Advanced locking mechanisms for doors and windows.
